ANNOUNCEMENT ANT -FASC ST PNW HATEWATCH

Jonathan H. Gould: Soldier, Artist and White Supremacist

APR L 30, 2019

reposted from [Identify Evropa](#)

As noted by [identifyevropa.org](#) and by a recent Huffington Post [piece](#), Identity Evropa membership included many current and former members of the United States military. Military membership in white nationalist and neo-Nazi groups is [hardly a new development](#). Recently, military neo-Nazis were also discovered in the [neo-Nazi paramilitary/survivalist group The Base](#) and [within the murderous Atomwaffen Division](#).

Lonewolf19d

[Lonewolf19d](#) gets his first mention in the IE discord server on September 20, 2017, when we are told that he will [“be in WA for a while,”](#) and that he is living [near Olympia](#). We also learn that he is from [Ohio](#). Lonewolf19d frequently posts pictures of the propaganda he has put up in the Pacific Northwest and NE Ohio:

Despite recent headlines exposing extremists within the military, user Lonewolf19d makes no attempt to hide the fact that he is a member. He joked with his white nationalist friends that, [“during a range brief an NCO used the saying ‘being Jewish’ when referring to being stingy... I had to stop myself from LOL’ing.”](#) In September 2018, he tells IE members that he is [currently transitioning out of the military.](#)

lonewolf19d 9/30/2018, 7:24:28 PM

agencies like those recruit hard for military personnel... always seeing them around here and FB ads

lonewolf19d 9/30/2018, 7:29:49 PM

I'm currently transitioning out of the military and i dont think i would like to be in any sort of job that is structured anywhere near the military... planning on taking advantage of apprenticeships paid for by the army, leaning towards hvac/sheet metal/welding and get a chance to choose where i work

Identifying halloweenfiend was a fairly simple process. We were aware of the Twitter account [@halloweenfiend](#). Research to identify the owner of this Twitter account led us to a post on a [costume and prop-making forum](#) made by the user “halloweenfiend666,” featuring photos of a homemade [Anton Chigurh mask](#). Information from this forum post led us to a [DeviantArt account with an identical username](#), “halloweenfiend666,” and photos of the same mask. The DeviantArt user called himself, “Jon Gould.” From there, we found links to a [sculpting blog](#) and an [Etsy page](#) featuring even more of the homemade masks.

Granted, the costume-making is rather harmless, and he actually appears fairly talented. However, further research led us to a more disturbing side of “Jon Gould:” his profile on the infamous [message board Stormfront](#) (picture below). Stormfront is a neo-Nazi message board run by [white supremacist Don Black](#). News reports credit Stormfront posters with the [murders of close to 100 people](#). We were able to confirm his identity because the profile picture used by Lonewolf19d on Stormfront is the same profile picture used on his Discord profile. Further, the message history states that he makes Halloween masks, lives in both Ohio and Washington (picture below), and that he “cannot wait to attend some events and contribute to the cause.”

Huge horror fan here, although not many recent films have been good. I actually make handmade halloween masks as well.

Re: Unite the Right 8/12/2017

Really hoping this event will be live streamed somewhere online, or at the very least all the great speakers filmed. Sadly I will not be able to attend and would very much like to.

With all of this information, we tracked down [his Facebook page](#) to confirm that all these pages are from the same person. Ultimately, we concluded that his name is in fact Jonathan H. Gould, “a 33 year old (dob 11/4/85) United States Army soldier stationed near Tacoma, WA with a residence in Cuyahoga Falls, Ohio.

Conclusion

In July 2017, U.S. Army soldier Jonathan H. Gould posted on the white supremacist message board Stormfront that he was eager to “contribute to the cause.” Two months later, Jonathan joined Identity Evropa, where he promoted the white nationalist group in the PNW and Ohio. Jonathan H. Gould describes himself on Facebook as a “right-wing dissident, trained by the government” and we believe he is dangerous to any community he resides. If you have tips regarding this person’s location or activities, please send us an anonymous email at ID@identifyevropa.org or IDevropa@protonmail.com.
